Pedro Sena Nunes

Pedro Sena Nunes was born in Lisbon in 1968. He has directed several documentaries, fictions, experimental works in cinema and video and TV and radio spots. He sees his films as part of a sole genre, as much as he wishes to recreate these genres and create new ones. Pedro is a father, a traveler, a filmmaker, a producer, a photographer, a professor, and an artistic consultant. He co-founded Teatro Meridional, is a pedagogical coordinator at Etic, co-coordinates several European projects with transdisciplinary teams and currently works as the Artistic Director of Vo'Arte Cultural Association where he manages several shows and festivals.
