Synopsis: People meeting and talking, and everyday situations... An uncompromised speech, sometimes edgy, others shy. These are the voices overheard, telling their small tales that the image unravels, multiplies or just exhales: rehearsing worlds that are house-being (or being-house), moored in boxes, bodies, secrets, desires, glimpses or the ephemeral materiality... In this flux, we step into unstable territories, place of the work-of-being-in-progress – the inner home of each of us.
